The Regional Municipality of Durham Land Division Committee Meeting

Minutes and Decisions

As per: The Planning Act, and in accordance with the Provincial Rules of Procedure

Consent Application heard on: Thursday, September 17, 2020

File: LD 037/2020
Submission: B 080/2020
Owner: Steele, Dinah & Nick
Agent: TD Consulting Inc.
Location: Lot 31, Concession 7
Township of Uxbridge
Municipality: Township of Uxbridge

Consent to sever a 750.27 m² residential parcel of land, retaining a 684.76 m² residential parcel of land with an existing dwelling to remain.

The Committee member visited the site on August 31, 2020 and confirmed the property was properly posted.

Present was:

Agent: Tom DeBoer - TD Consulting Inc.
Interested party: Wynn Walters

Mr. T. DeBoer explained the nature of the application advised the Committee the application is in compliance with both the local and regional official plans.

Committee Member A. Arnott noted the Township considered this matter at a meeting on September 14, 2020 and asked the agent if he was present at that meeting and if he had any comments related to council's opposition to the application.

Mr. T. DeBoer advised the Committee he did not attend the meeting, however, the Township planner is supportive of the application.

Mr. W. Walters provided the Committee with a brief history of the area and advised the Committee he obtained a petition from the area residents and was speaking on behalf of those residents.

He indicated the issues related to the severance itself and what will be built on the lot. These concerns related to non-compliance with zoning by-law, harm to the community as well as the proliferation of new smaller building lots with monster homes constructed thereon in addition to a general loss of character of the neighborhood.

Mr. W. Walters advised the Committee where there is opposition then the severance should not proceed. He reminded the Committee that Township of Uxbridge does not support this application.

Committee Member C. Molinari asked the delegate to identify where his property was located in relation to subject property.

Mr. W. Walters advised he was one house removed on other side of intersection and is south of Dominion Street.

Committee Member K. Bavington advised the delegate that a decision to approve the application must ensure compliance with the Zoning By-Law and/or conditions that will require compliance with the by-law. She further advised that the Committee would not approve the creation of non-compliant lots.

Mr. W. Walters asked the Committee what would happen in the case where this application is approved, and the accompanying minor variance application is not approved.

Committee Member K. Bavington advised the delegate the Land Division Committee application would be subject to conditions, one being compliance with local zoning by-law and if the applicant could not satisfy that condition the application would lapse and the proposed lot would not be created.

Committee Member G. O'Connor reiterated Committee Member K. Bavington's comments.

The Committee had for information reports received from the Regional Municipality of Durham Planning and Economic Development, Health and Works Departments, the Township of Uxbridge and the Lake Simcoe Region Conservation Authority.

A written submission was received on September 9, 2020 from Mr. Walter Wynn including a petition from area residents.

Appendix 13

The Regional Municipality of Durham Land Division Committee Meeting

Minutes

As per: The Planning Act, and in accordance with the Provincial Rules of Procedure

Consent Application heard on: Thursday, September 17, 2020

File: LD 073/2020
Owner: Clark, Brian
Weston, Heather
Agent: Wokral, Peter
Location: Lot 16, Concession 6
Township of Scugog
Municipality: Township of Scugog

Consent to sever a 329.24 m² residential parcel of land, retaining an 812.73 m² residential parcel of land with an existing dwelling to remain.

The Committee member visited the site on August 31, 2020 and confirmed the property was properly posted.

Present was:

Agent: Wokral, Peter

Mr. P. Wokral explained the nature of the application and provided the Committee with a PowerPoint presentation. He advised the Committee the property is located in the residential historical district of the Port Perry urban area. He indicated the house is designated as a heritage home.

Mr. P. Wokral further advised the Committee the proposal meets the minimum zoning by-law and setback requirements and that no variances are required on the retained lot. He advised a minor variance will be required for the side yard setback for the severed lot.

Mr. P. Wokral also provided the committee with historic information on the subject property and surrounding area. He advised the Committee that a number of lots in the vicinity of the subject property have been severed in past years and the proposal is in compliance with that trend.

Mr. P. Wokral addressed the Township's concerns related to the lot configuration and their request for a zoning amendment. He indicated the Heritage Impact Assessment should not be required by the Township as the property is already designated and protected.

Committee Member C. Molinari asked the agent if he was agreeable with the Townships tabling request.

Mr. P. Wokral advised the Committee he was not in agreement with the requirements of the Township and he believes the Township has misinterpreted the intent of the Heritage Act. He is not in agreement in the tabling recommendation and asked the Committee to render their decision today.

Committee Member C. Molinari asked the agent if the stone wall fence on the lot was protected under the Heritage Act and whether it will remain on the lot.

Mr. P. Wokral advised the Committee the stone wall is not protected and confirmed the applicant does not plan to remove the wall.

Committee Member D. Smith asked the agent if he had pre-consulted with the Township prior to filing the application. Mr. P. Wokral answered in the affirmative.

Committee Member D. Smith asked the agent to confirm when he last spoke with the Township and whether he met in person or had other forms of communication.

Mr. P. Wokral advised the Committee that he had many conversations with Township staff and the application was revised based on feedback provided by Township staff.

Committee Member D. Smith asked the agent to confirm whether the heritage designation applies to the entire property.

Mr. P. Wokral advised the Committee the Heritage Act speaks to designation of the dwelling itself and that the balance of the property is not protected.

He further advised the Committee the owners will protect the majority of the vegetation on the site and that and only four non-native trees will be affected by the proposed severance with the existing dwelling to remain unchanged.

The Committee had for information reports received from the Regional Municipality of Durham Planning and Economic Development, Health and Works Departments, the Township of Scugog and Kawartha Region Conservation Authority.

Agency comments were provided electronically to Mr. P. Wokral, the agent for the owner.
