

# COVID-19 Vaccine Walk-in Appointments Available

## Walk-in appointments

To increase vaccine access and enhance community protection against COVID-19, mass immunization clinics are accepting walk-ins **for first and second vaccine doses**. No appointment necessary.

## Scheduled appointments

Durham residents who have already booked appointments at vaccination clinics can attend as scheduled. Additionally, individuals who prefer to book an appointment can do so by either:

- Visiting [www.durhamvaccinebooking.ca](http://www.durhamvaccinebooking.ca), or
- Calling 1-888-444-5113

## Second dose interval

All Durham residents are now eligible to receive a second dose of COVID-19 vaccine at the product monograph interval. Residents are encouraged to reschedule if their second dose appointment is beyond the monograph interval.

- Pfizer 21-day interval
- Moderna 28-day interval
- AstraZeneca 56-day interval

## Appointment cancellations

Those who wish to cancel scheduled appointments can use the “cancel link” via the confirmation email or call 1-888-444-5113.
