

# COVID-19 Vaccine - Expanded Second Booster Eligibility for 18+

As of July 14, all individuals 18 years of age and older can receive a second booster at an interval of 140 **days** (5 months) **after receiving their first booster** or at a of minimum of 84 days (3 months) with informed consent.

Individuals who are at **higher risk of severe disease** from COVID-19 infection are **recommended** to get their booster(s) of COVID -19 vaccines **as soon as they become eligible**, including:

- Individuals aged 60 and over
- First Nation, Inuit and Métis individuals and their non-Indigenous household members aged 18 and over
- Residents of a long-term care home, retirement home, or Elder Care Lodge and older adults living in other congregate settings that provide assisted-living and health services
- Moderately to severely immunocompromised individuals

Individuals are able to receive their COVID-19 vaccination with **select pharmacy locations** in Durham Region. For a list of participating pharmacies visit <https://www.durham.ca/en/health-and-wellness/covid-19-vaccines.aspx#Pharmacies>.

Individuals can also book a COVID-19 vaccination **appointment at Durham Region Health Department** community immunization clinics, beginning on July 14 by visiting [www.durham.ca/vaccineappointment](http://www.durham.ca/vaccineappointment) or by calling the appointment booking line 1-888-444-5113. Walk-in appointments will not be available.

Further information about COVID-19 vaccine is available at [www.durham.ca/covidvaccines](http://www.durham.ca/covidvaccines).

For more information about expanded booster dose eligibility, visit Ministry of Health [COVID-19 Vaccine Booster Recommendations](#).
