# Memorandum

**Date:** June 17, 2022

**To:** Regional Chair Henry and Members of Regional Council

**From:** Jenni Demanuele, Acting Commissioner, Works

**Copy:** Elaine Baxter-Trahair, Chief Administrative Officer

**Subject:** Update on Delays to Leaf and Yard Waste Collection

---

The Regional Municipality of Durham (Region) began experiencing waste collection delays in 2021 related to the impact of the highly transmissible Omicron variant of Covid-19. Delays to leaf and yard waste collection in the Region continue to occur in 2022, as priority is placed on collecting Green Bin, garbage and Blue Box material.

The primary cause of on-going delays is a shortage of drivers. Collection vehicle operators require a class DZ license which requires additional training and testing to obtain. There is increased demand for these drivers throughout Canada with the Canadian Trucking Alliance reporting 23,000 job vacancies at the end of 2021 ([driver shortage](#)). Both the Canadian Trucking Alliance and the province are working to address the driver shortage.

Details about the labour shortage impacts to the Region's collections were provided in Report# [2022-INFO-42](#) titled Spring 2022 Waste Collection Delays Update.

Staff continue daily communications with Miller Waste to monitor the progress of resolving the backlog of collections. As part of their plan to recover from these delays, Miller Waste is using drivers assigned to other municipal contracts to assist with leaf and yard waste collection in Durham Region.

Assistance with collections had been secured from the Town of Whitby early in 2022. However, due to potential risks and liability issues that were identified by Whitby associated with local municipality employees

working in a neighboring municipality or on behalf of the Region, this arrangement was discontinued. This potential option can be explored with the City of Oshawa if delays in leaf and yard waste continue.

With weekend collection efforts and additional drivers being supplied, leaf and yard waste collection is now one week behind the bi-weekly collection schedule.

Through the Region's website and Waste App, residents have been advised to leave uncollected leaf and yard waste at the curb for collection at a later date. Miller Waste has been reminded that the collection teams should clean up any debris that is left behind by bags that are broken during collection to the best of their ability.

Residents who are able may opt to drop off leaf and yard waste at private waste collection facilities in the Region. Residents should call first to determine if locations are accepting yard waste and to determine the cost. The Clarington Miller Waste Facility is not permitted or designed to receive materials directly from the public drop off.

Residents are also encouraged to consider backyard composting where it is practical. Backyard composters are sold by the Region on a cost recovery basis. Details are available on the Region's Waste Management [webpage](#).

### **Resident Communications**

Residents are encouraged to download the Region's Waste App to receive reminders and service alerts regarding waste collection directly on their smart phone. Service alerts are provided in real time and are specific to impacted routes. Residents are also encouraged to check the Region's curbside collection [webpage](#) for service updates.

As a reminder to residents, leaf and yard waste collection is a bi-weekly collection schedule and is not collected weekly during the summer months.

Additional communications include an 'Ask Katherine' article in local newspapers that discusses the current delays. An article was published in March with a second article scheduled in June.

As staff continue to work with Miller Waste to address collection delays, additional by-law inspections are occurring to note missed collections. Staff have also initiated discussions regarding the Fall 2022 weekly leaf and yard waste collections and changes necessary to minimize disruption to this service, along with reviewing the 2023 collection schedules for potential areas of improvement.

**WHEREAS** the Country of Ukraine has experienced a premeditated and unprovoked invasion by Russia;

**WHEREAS** silence is complicity;

**WHEREAS** Canada imports hundreds of millions of dollars' worth of goods from Russia each year; and

**WHEREAS** negative financial impacts upon a country can be used as a means to deter further conflict;

**BE IT RESOLVED THAT** the correspondence received from the City of Thorold, the Town of Gravenhurst, the Town of Espanola and Niagara Region regarding sanctions on Russia be received for information;

**AND THAT** the Municipality of Killarney unequivocally denounces Russia's unjustifiable war against Ukraine;

**AND THAT** the Municipality of Killarney supports the sanctions which the Federal Government of Canada has thus far imposed on Russia;

**AND THAT** effective immediately and until a time when the sovereignty of Ukraine is once again unchallenged, the Municipality of Killarney will:

- 1) Not purchase any products (i.e. plywood, fertilizer, steel, furniture or machinery) which can be easily traced to have originated from Russia; and
- 2) Insist that any future contracts for services for the Municipality of Killarney abide by these same limitations within our municipality;

**AND THAT** upon confirmation that the Belarusian military is engaged within Ukraine that the Municipality of Killarney apply these limitations upon goods from that country as well;

AND THAT this decision of the Municipality of Killarney Council be forwarded to all other municipalities within Ontario requesting they enact similar measures so that as a united front we can make a noticeable difference.

Dear Premier Ford:

**Re: Summary and Implications of Provincial Bill 109: More Homes for Everyone Act, 2022**

For your information and records, at its electronic meeting held on June 7, 2022 the Council of the Town of East Gwillimbury enacted as follows:

*WHEREAS the Town of East Gwillimbury is Canada's fastest growing municipality (with more than 5,000 residents) according to 2021 Census Canada data; and*

*WHEREAS the Council of the Town of East Gwillimbury has significant concerns regarding the impact of Bill 109 on the community planning process, and the ability of municipalities to deliver on initiatives to address housing supply and attainability, and*

*WHEREAS the refund provisions in Bill 109 will result in existing taxpayers subsidizing development applications as well as lost revenue and increased staff costs for municipalities; and*

*WHEREAS the prescription of what constitutes a complete application does not address differing levels of complexities and the unique circumstances and diverse landforms that exist across the province, nor does it recognize the collaborative process and relationships between parties that deliver results for municipalities; and*

*WHEREAS limiting conditions on Draft Plan of Subdivision does not address the unusual and often challenging circumstances best understood by local municipal staff and elected officials;*

*BE IT THEREFORE RESOLVED THAT the Council of the Town of East Gwillimbury requests that Government of Ontario revisit the provisions of Bill 109 and work with all stakeholders, including municipalities represented by the Association of Municipalities of Ontario to deliver legislation that allows municipalities to plan, grow and deliver communities that adhere to local, provincially-approved Official Plans, rather than strict statutory timelines; and*

*THAT a copy of this Motion be sent to the Honourable Doug Ford, Premier of Ontario, MPP Caroline Mulroney, the Minister of Municipal Affairs and Housing, all York Region Mayors and Regional Chairs in Ontario; and*

*THAT a copy of this Motion be sent to the Association of Municipalities of Ontario (AMO) and all Ontario municipalities for their consideration.*

If you have any further questions, feel free to contact the undersigned.

Yours truly,

Tara Lajevardi, Hon.B.A.  
Municipal Clerk

**Subject:** City of Orillia Resolution - to all Ontario municipalities - Voluntary Russian Sanction Request

---

To all Ontario municipalities:

At its meeting held on June 6, 2022, Orillia City Council adopted the following resolution:

*“THAT the correspondence dated April 19, 2022 from the Town of Gravenhurst regarding sanctions on Russia be received;*

*AND THAT the City of Orillia supports the sanctions related to Russia that have been enacted under the Special Economic Measures Act in order to respond to the gravity of Russia’s violation of the sovereignty and territorial integrity of Ukraine, and grave human rights violations that have been committed in Russia;*

*AND THAT the City of Orillia supports the sanctions related to Belarus that have been enacted under the Special Economic Measures Act in response to the gross and systematic human rights violations that have been committed in Belarus, as well as Belarus’ support of the Russian Federation’s violation of the sovereignty and territorial integrity of Ukraine, which constitutes a grave breach of international peace and security that has resulted in a serious international crisis;*

*AND THAT this decision of Orillia Council be forwarded to all other municipalities within Ontario requesting they enact similar measures so that as a united front we can make a noticeable difference.”*

Thanks.
