

COVID-19

Are you experiencing any of the following symptoms?

Fever/chills

Cough

Shortness of breath

Loss of taste or smell

Pink eye

Sore throat

Runny/stuffy nose

Headache, fatigue, aches or pain

Nausea/vomiting/diarrhea

Abdominal pain

Note: You can answer **NO** if your symptoms have been improving for at least 24 hours (or 48 hours if you had nausea, vomiting and/or diarrhea) and you do not have a fever and you have not developed additional symptoms.

Has a health care provider, public health unit or Federal agent told you that you should currently be isolating?

For 10 days after any of the following, wear a well-fitted mask in all public settings:

1. Your COVID-19 symptoms have been improving and you are no longer isolating at home.
2. You were exposed to someone with COVID-19 but have no symptoms.
3. You tested positive for COVID-19 but have no symptoms.

If you answered YES to any of these questions, please do NOT enter this location. Call Telehealth or your health care provider to be assessed.
