

Durham Region Health Department **FAX about...**

For Health Care Professionals

North Durham Breastfeeding Services

Durham Region Health Department offers a variety of breastfeeding services to clients in north Durham. Public health nurses are available to provide phone, home, virtual and in-person clinic appointments to support parents experiencing breastfeeding issues. The breastfeeding clinic at the Lakeridge Health Port Perry Hospital (New Life Centre) reopened October 25, 2022. The clinic operates Tuesdays & Fridays by appointment only.

Clients can self-refer by calling the Durham Health Connection Line at 1-800-841-2729, or health care providers can refer clients using the referral form:

www.durham.ca/en/health-and-wellness/resources/Documents/ResourcesforHealthCareProviders/bfClinicReferralForm.pdf

For more information about Health Department programs please go to the Health Care Provider website durham.ca/HCP or call the Durham Health Connection Line 1-800-841-2729.
