## Appendix A By-Law Index

April 2020

# REGION OF DURHAM

## WATER BY-LAW INDEX (#89-2003)

### **PART I: INTERPRETATION**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
1	1-3	Definitions
2	3	Schedules are part of by-law
3	3	If one clause disqualified, remaining by-law stands
4	3	Singular words cover plural case
5	3	A variety of legal entities covered, even if not always stated

### **PART II: GENERAL**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
6	(1) 3	Commissioner of Works responsible for system operation
	(2) 3-4	Commissioner of Works authorization required before work done
7	(1) 4	Region may supply water & sewer services
	(2) 4	Servicing outside Regional boundaries requires agreement
	(3) 4	Water Supply standards not guaranteed
	(4) 4	Water Supply guarantees not to be given by staff
8	(1) 4	Region can limit water supply
	(2) 4	Odd-even addresses-lawn watering rules
	(3) 4	Commissioner of Works may restrict use
	(4) 4	New single pass cooling systems prohibited
9	(1) 4	With notice, water may be shut off
	(2) 4	Region not liable for damage due to water disruption
10	(1) 5	Free access to property by Regional staff
	(2) 5	Obstruction of access prohibited
11	5	Conditions for working near Regional system
12	5	Responsibility if Regional system damaged

### **PART III: RATES, CHARGES & REVENUES**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
13	(1) 5-6	Revenue shortfall
	(2) 6	Revenues apply to water/sewer systems
14	(1) 6	Metered rates-Schedule reference
	(2) 6	Consumers of Unmetered Fire Lines - Schedule reference
		Unmetered Water rates-Schedule reference
	(3) 6	Consumers with Unmetered Fire Lines - Schedule reference

	(4)	6	Connections to Regional Water Pollution system and Water system – Schedule reference
	(5)	6	Extension of sewer & water systems
	(6)	6	Miscellaneous Services – Schedule reference
15		6	Rates & charges reviewed periodically

**PART IV: METERED WATER SERVICE**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>	
16	(1)	6	All services should be metered
	(2)	6	Consumer supplies Meter location
	(3)	6-7	Meter shall be accessible and in approved location
	(4)	7	All Meters owned by Region – private meter paid by Consumer
	(5)	7	Work on Meters to be carried out only by employees or agents of the Region
	(6)	7	If no access to Meter, water may be shut off
	(7)	7	Meter related damage no Regional responsibility
	(8)	7	Water must pass through Meter, if installed
	(9)	7	Meter safety and repair costs responsibility of Consumer
	(10)	7-8	Only one Meter per water service
	(11)	8	Unmetered Consumer may request Meter
	(12)	8	No Regional involvement with private water meters
	(13)	8	Meter tampering prohibited-Water shut off for contravention
17	(1)	8	Region may require meter chamber
	(2)	8	Region specifies meter size
	(3)	8	All connections after Meter-Approval required for bypass piping
	(4)	8	Conditions for opening Meter bypass
	(5)	9	Consumer must install meter inlet and outlet valves
	(6)	9	Consumer must notify Region of Meter problems
	(7)	9	Building demolition
18	(1)	9	Meter reading administered by Commissioner of Finance
	(2)	9	Region may read Meters
	(3)	9	Consumers shall read Meters when so requested
	(4)	9	Consumers shall provide access for Meter reading
	(5)	9	Region decides frequency of reading meter
	(6)	9-10	Region may estimate consumption in some cases
	(7)	10	Estimated reading may be adjusted later
	(8)	10	Where running of water authorized by Region, bill may be adjusted
	(9)	10	Billing suspension for frozen Water Services
19	(1)	10	Consumer may request Meter test
	(2)	10	If tested Meter accurate or low, cost of test charged to Consumer
	(3)	10	If Meter reads high, consumer not charged test fee

**PART V: CONNECTIONS TO REGIONAL SYSTEM**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
20	(1)	11 Application required for connection
	(2)	11 Regional approval & plumbing permit required prior to Connection
	(3)	11 Three week advance notice required
	(4)	11 Application required for connections to pre-installed stubs
	(5)	11 Application may be refused for certain reasons
	(6)	11 Regional approval before building or plumbing permit applications
	(7)	11-12 Plans required where installation is other than standard residential
	(8)	12 Application-related charges
	(9)	12 Application is for Region to construct connection, except if in subdivisions
	(10)	12 No water supplied or sewage accepted if not in accordance with plans
	(11)	12 Repairs to service box charged to applicant
	(12)	12 Tests required on water service prior to turning on water
21	(1)	12 When application review required by Wet Industry Screening Committee
	(2)	12-13 Conditions for granting or denying
	(3)	13 Granted applications require special agreement
	(4)	13 Special conditions will be included in agreement
22	(1)	13 Setting up of Water Billing account after application approval
	(2)	13 Charging for construction water
	(3)	13 Consumer shall notify Region when Meter can be installed
	(4)	14 Charges after Meter installed
	(5)	14 Commencement of regular charges
23	(1)	14 Region installs and maintains service connections
	(2)	14 Water/sewer service configuration
	(3)	14 Where applicant indicates desired location for connection
	(4)	14 Where applicant does not indicate connection location
	(5)	14 Written consent needed for encroachment on another's property
	(6)	14 Only one service per lot
	(7)	14 One service per residential semi-detached houses, etc.
	(8)	15 Disconnection of single service to more than one lot
	(9)	15 Replacement of substandard service by Region
	(10)	15 Anti-tampering devices may be installed
	(11)	15 Responsibility for cost of installing anti-tampering devices
24		15 Consumer installs service pipe
25	(1)	15 Services installed to Regional specifications
	(2)	15 Depth and location requirements for Water Services

	(3)	15	Service location in building must allow free and easy access to Water Meter
	(4)	15-16	Service pipes must be fitted with two full port, stop and waste corporation valves
	(5)	16	No soldered joints on water service
	(6)	16	Bedding & backfilling of services
26	(1)	16	Consumer responsible for service pipe leak repairs
	(2)	16	Shut off of water for failing to repair service pipe leaks, etc.
	(3)	16	Leakage losses may be billed
27	(1)	16	Thawing frozen Service Pipe by Region is chargeable
	(2)	16	Region may refuse to thaw frozen Service Pipe if hazardous
	(3)	16	Replacement of Service Pipes subject to freezing
28		16	Temporary connections only by agreement with Region
29	(1)	16-17	Reuse of service connection where building demolished
	(2)	17	Inspection of pipe to be reused is required
	(3)	17	If reuse permission denied, pipe shall be replaced
30		17	Removal of service connection where no longer required

#### **PART VI: FRONTAGE CHARGES**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>	
31	(1)	17	Frontage charges levied when not previously paid
	(2)	17	No frontage charges were installed at private expense
32	(1)	17	Basic method of calculation of frontage Charges – Schedule reference
	(2)	17	Frontage based on assessment roll
	(3)	18	Reductions allowed on frontage charges
	(4)	18	Frontage calculation where lot is irregular shape
	(5)	18	Other factors in arriving at frontage charge
	(6)	18	Reduced frontage charge may increase if situation changes
33		18	Frontage charge may be reduced when grants applied
34		18	Full frontage applied even where main shorter
35	(1)	19	Frontage charge payment by lump sum or by instalments
	(2)	19	Conditions for annual instalment option for paying frontage charges
36		19	Commutation of frontage charges being paid by instalment
37		19	Overdue instalment payments for frontage charges

## **PART VII: EXTENSION OF THE REGIONAL SYSTEM**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
38	19	Extension of systems permitted subject to Regional conditions
39	20	Extension of systems subject to Works Committee approval
40 (1)	20	Written request required for system extensions
(2)	20	Request for system extensions forwarded to Works Committee
41 (1)	20	Charges for extension of systems due to residential severances
(2)	20	Charges for extension of systems due to non-residential severances
42	20	Frontage charges applicable for system extensions
43	20	Extension of systems where Regional funds not available

## **PART VIII: WATER SERVICE FOR FIRE PROTECTION**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
44 (1)	20	Hydrant operation restricted to approved persons
(2)	20	Hydrant permits
45 (1)	20-21	Unmetered water may be supplied for fire protection
(2)	21	Unmetered fire lines must be separated from domestic lines
(3)	21	Inspection of fire line by Area Municipality
(4)	21	Inspection of private hydrants
(5)	21	Limitations on use of Unmetered fire line water
46	21	Drain ports in private hydrants
47 (1)	21	Thawing of frozen Unmetered fire lines and private hydrants
(2)	21	Region may refuse to thaw frozen Unmetered fire lines and private hydrants
48 (1)	21	Anti-tampering devices may be required on hydrants and valve boxes
(2)	21	Developer pays for anti-tampering devices in new areas
49	21	Separation of driveway from hydrant
50	22	Cost recovery for hydrants relocated by request

## **PART IX: MISCELLANEOUS SERVICES AND REQUIREMENTS**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
51 (1)	22	Water shut-off and turn-on at Consumer's request
(2)	22	Standby charge while water shut off
52	22	Arrears requests
53	22	Dishonoured cheques
54 (1)	22	Fee when payment made to wrong account

54	(2)	22	Other services may be provided by Region of Durham
55	(1)	22	Notification when building vacated
	(2)	22-23	Water shut-offs when building vacated
	(3)	23	Damage suffered when building vacated and water left on

## **PART X: BILLING AND COLLECTING RATES AND CHARGES**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>	
56	(1)	23	Change of occupancy must be reported
	(2)	23	Consumer information form for new Consumers
57	(1)	23	Billings due when rendered
	(2)	23	Periodic intervals for billings
	(3)	23	Billing schedule may change
	(4)	23	Frontage charges may be billed in similar manner
	(5)	23-24	Security deposits
	(6)	24	Amount of security deposit
	(7)	24	Interest on cash security deposits
	(8)	24	Payment of security deposit
58	ALL	24-25	<b>"Regular" Billings</b>
	(1)	24	Discount for prompt payment – REPEALED
	(2)	24	Late payment charge – Schedule reference
	(3)	24	Notice of non-payment
	(4)	25	Final Notice
	(5)	25	Further collection action/Water shut-off for non-payment
	(6)	25	Collection fee
	(7)	25	Site visit for collection purposes
	(8)	25	Collection fee for collection action
	(9)	25	Charge for turning on water
	(10)	25	Unlawful restoration of service after shut-off
59	ALL	25-26	<b>"Final" Billings</b>
	(1)	25-26	Late payment charge – Schedule reference
	(2)	26	Notice of non-payment
	(3)	26	Further collection action
60	(1)	26	Charges owing are a lien on property
	(2)	26	Liens can be entered on tax roll
	(3)	26	Distrain on goods and chattels
	(4)	26-27	Determination of amount due for Subsections 60(3) and 49(3) respectively
61	(1)	27	Distribution of billings
	(2)	27	Who is billed-residential vs all other
	(3)	27	Grandfathering of billing residential tenants
	(4)	27	Owner billed for multiple units
	(5)	27	Condominium corporation billed
	(6)	27	Where billings may be paid with or without charges
62		27	Commissioner of Finance authority to adjust billing

## **PART XI: SOURCE WATER PROTECTION PLAN PROVISIONS**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
63	28	Mandatory connection to municipal waste water systems in vulnerable areas
64	28	Proposals resulting in the creation of a new Transport Pathway

## **PART XII: OFFENCES AND SANCTIONS**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
65 (1)	28-29	Listing of offences liable to fines
(2)	29	Violations treated separately
(3)	29	Liable to a fine as set in <i>Provincial Offences Act</i>
66	30	Obstruction of Regional water facilities
67	30	Shut-off of water for by-law violations

## **PART XIII: ENFORCEMENT**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
68	30	Who can enforce by-law

## **PART XIII: REPEAL**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
69	30	Old by-law repealed

## **PART XIV: EFFECTIVE DATE**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
70	30	Effective date of by-law

# REGION OF DURHAM

## SEWER BY-LAW INDEX (#90-2003)

### PART I: INTERPRETATION

<u>SECTION #</u>	<u>PAGE #</u>	<u>DESCRIPTION</u>
1	1-2	Definitions
2	3	Schedules are part of by-law
3	3	If one clause disqualified, remaining by-law stands
4	3	Singular words cover plural case
5	3	A variety of legal entities covered, even if not always stated

### PART II: GENERAL

<u>SECTION #</u>	<u>PAGE #</u>	<u>DESCRIPTION</u>
6 (1)	3	Commissioner of Works responsible for system operation
6 (2)	3	Commissioner of Works authorization required before work done
7 (1)	3	Region may supply water & sewer services
7 (2)	3	Servicing outside Regional boundaries requires agreement
8	3	Free access to property by Regional staff
9	3-4	Conditions for working near Regional system
10	4	Responsibility if Regional system damaged

### PART III: RATES, CHARGES & REVENUES

<u>SECTION #</u>	<u>PAGE #</u>	<u>DESCRIPTION</u>
11 (1)	4	Revenue shortfall
11 (2)	4	Revenues apply to water/sewer systems
12 (1)	4	Metered rates-Schedule reference
12 (2)	4	Unmetered Water rates-Schedule reference
12 (3)	4	Consumers who discharge flow through Water Pollution System – Schedule reference
12 (4)	5	Connections to Regional Water Pollution system and Water system – Schedule reference
12 (5)	5	Connection to Regional storm sewer system – Schedule Reference
12 (6)	5	Extension of sewer & water system
12 (7)	5	Miscellaneous Services – Schedule reference
13	5	Rates & charges reviewed periodically
14 (1)	5	Non-Residential consumers
14 (2)	5	Sewer surcharge appeal allowed
14 (3)	5	Appeals to be in writing
14 (4)	5	Review of appeals by F&A Committee
14 (5)	5	Council decision is final

(6)	5-6	20% rule and basis of measuring flow differential
(7)	6	Appeal meter responsibility of appellant
(8)	6	Residential appeals allowed only for plumbing problems
(9)	6	Residential appeals may be granted by Commissioner of Finance
(10)	6	Retroactive appeals
(11)	6	Infiltration allowance

#### **PART IV: CONNECTIONS TO REGIONAL SYSTEM**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
15 (1)	7	Definitions applicable to water pollution control system only
(2)	7	Application required for connection
(3)	7	Regional approval & plumbing permit required prior to connection
(4)	7	Three week advance notice required
(5)	7	Application required for connections to pre-installed stubs
(6)	7	Application may be refused for certain reasons
(7)	7	Regional approval before building or plumbing permit applications
(8)	7	Plans required where installation is other than standard residential
(9)	8	Application-related charges
(10)	8	Application is for Region to construct connection, except if in subdivisions.
(11)	8	No water supplied or sewage accepted if not in accordance with plans
16 (1)	8	When application review required by Wet Industry Screening Committee
(2)	8	Conditions for granting or denying
(3)	9	Granted applications require special agreement
(4)	9	Special conditions will be included in agreement
17 (1)	9	Region installs and maintains service connections
(2)	9	Water/sewer service configuration
(3)	9	Where applicant indicates desired location for connection
(4)	9	Where applicant does not indicate connection location
(5)	9	Written consent needed for encroachment on another's property
(6)	9	Only one service per lot
(7)	9	One service per residential semi-detached houses, etc.
(8)	9-10	Disconnection of single service to more than one lot
18 (1)	10	Consumer installs service pipe
(2)	10	No discharge to sewer during construction
19 (1)	10	Services installed to Regional specifications
(2)	10	Clean out required
(3)	10	Bedding & backfilling of services

20	(1)	10	Monitoring manhole responsibility
	(2)	10	Connection to monitoring manhole on private property
	(3)	10	Service connection built before monitoring manhole
	(4)	10	Inspection of connection to monitoring manhole constructed later
21	(1)	10	Region responsible for Sewer Service Connection work
	(2)	10	Distance limitation for Regional sewer service maintenance
	(3)	10-11	Regional maintenance of residential sewer services
	(4)	11	Limitations for Regional sewer service maintenance
	(5)	11	Repair & renewal of Residential Building Sewers
	(6)	11	Blocked sewer service liability
	(7)	11	Release form required before repair & renewal of Building Sewers
	(8)	11	Rear yard connections
22		11	Temporary connections only by agreement with Region
23	(1)	11	Reuse of service connection where building demolished
	(2)	12	Inspection of pipe to be reused is required
	(3)	12	If reuse permission denied, pipe shall be replaced
24		12	Plugging of sewer service connection when building removed
25		12	Removal of service connection where no longer required

## **PART V: CONNECTIONS TO REGIONAL STORM SEWER SYSTEM**

<b><u>SECTION #</u></b>	<b><u>PAGE #</u></b>	<b><u>DESCRIPTION</u></b>	
26	(1)	12	Definitions applicable to storm sewer system only
	(2)	12	Application required for connection
	(3)	12	Regional approval required for connection
	(4)	12	Three week advance notice required
	(5)	12	Plans required
	(6)	13	Connection may be refused for certain reasons
	(7)	13	Deposit required
	(8)	13	Who does the work
27		13	Regional agreement required for temporary connection
28		13	Reuse of sewer service connection when building Demolished

## **PART VI: FRONTAGE CHARGES**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
29 (1)	13	Frontage charges levied when not previously paid
(2)	13	No frontage charges were installed at private expense
(3)	13	Frontage charges to be charged actual cost
30 (1)	13	Basic method of calculation of frontage Charges – Schedule reference
(2)	13	Frontage based on assessment roll
(3)	14	Reductions allowed on frontage charges
(4)	14	Frontage calculation where lot is irregular shape
(5)	14	Other factors in arriving at frontage charge
(6)	14	Reduced frontage charge may increase if situation changes
31	14	Frontage charge may be reduced when grants applied
32	14	Full frontage applied even where main shorter
33 (1)	15	Frontage charge payment by lump sum or by instalments
(2)	15	Conditions for annual instalment option for paying frontage charges
34	15	Commutation of frontage charges being paid by instalment
35	15	Overdue instalment payments for frontage charges

## **PART VII: EXTENSION OF THE REGIONAL SYSTEM**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
36	15	Extension of systems permitted subject to Regional conditions
37	16	Extension of systems subject to Works Committee approval
38 (1)	16	Written request required for system extensions
(2)	16	Request for system extensions forwarded to Works Committee
39 (1)	16	Charges for extension of systems due to residential severances
(2)	16	Charges for extension of systems due to non-residential severances
40	16	Frontage charges applicable for system extensions
41	16	Extension of systems where Regional funds not available

## **PART VIII: WATER SERVICE FOR FIRE PROTECTION (WATER)**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
42	16	Arrears requests
43	16-17	Dishonoured cheques
44	17	Other services may be provided by Region of Durham - REPEALED

## **PART IX: BILLING AND COLLECTING RATES AND CHARGES**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
45 (1)	17	Change of occupancy must be reported
(2)	17	Consumer information form for new Consumers
46 (1)	17	Billings due when rendered
(2)	17	Periodic intervals for billings
(3)	17	Billing schedule may change
(4)	17	Frontage charges may be billed in similar manner
(5)	17	Security deposits
(6)	18	Amount of security deposit
(7)	18	Interest on cash security deposits
(8)	18	Payment of security deposit
47 ALL	18-19	<b>"Regular" Billings</b>
(1)	18	Discount for prompt payment – REPEALED
(2)	18	Late payment charge – Schedule reference
(3)	18	Notice of non-payment
(4)	18	Final Notice
(5)	18	Further collection action/Water shut-off for non-payment
(6)	19	Collection fee
(7)	19	Site visit for collection purposes
(8)	19	Collection fee for collection action
(9)	19	Charge for turning on water
(10)	19	Unlawful restoration of service after shut-off
48 ALL	19	<b>"Final" Billings</b>
(1)	19	Late payment charge – Schedule reference
(2)	19	Notice of non-payment
(3)	19	Further collection action
49 (1)	20	Charges owing are a lien on property
(2)	20	Liens can be entered on tax roll
(3)	20	Distrain on goods and chattels
(4)	20	Determination of amount due for Subsections 60(3) and 49(3) respectively
50 (1)	20	Distribution of billings
(2)	20	Who is billed-residential vs all other
(3)	20	Grandfathering of billing residential tenants
(4)	21	Owner billed for multiple units
(5)	21	Condominium corporation billed
(6)	21	Where billings may be paid with or without charges
51	21	Commissioner of Finance authority to adjust billing

## **PART X: OFFENCES AND SANCTIONS**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
52 (1)	21-22	Listing of offences liable to fines
(2)	22	Violations treated separately
53	22	Shut-off of water for by-law violations

**PART XI: ENFORCEMENT**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
54	22	Who can enforce by-law

**PART XII: REPEAL**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
55	22	Old by-law repealed

**PART XIII: EFFECTIVE DATE**

---

<b>SECTION #</b>	<b>PAGE #</b>	<b>DESCRIPTION</b>
56	22	Effective date of by-law
