

By-law Number 63-2022
of The Regional Municipality of Durham

Being a by-law to establish a Long-Term Care Homes Committee of Management for the Regional Municipality of Durham.

Whereas the Regional Municipality of Durham currently operates four Long-Term Care Homes and Provincial legislation requires that a municipality operating one or more Long-Term Care Homes must have a Committee of Management comprised of elected members of Regional Council.

And Whereas the *Fixing Long-Term Care Act, 2021* and its associated regulation, O. Reg. 246/22, introduced new mandatory screening measures that members of a Long-Term Care Committee of Management must successfully complete to become a member,

Now therefore, the Council of The Regional Municipality of Durham hereby enacts:

1. That a Long-Term Care Homes Committee of Management for the Regional Municipality of Durham be established; and
2. That the Long-Term Care Homes Committee of Management be comprised of those members of Regional Council who have completed the required screening measures in accordance with the *Fixing Long-Term Care Act, 2021* and O. Reg. 246/22 (or as amended) and provided proof of such to the Regional Clerk.

This By-law Read and Passed on the 21st day of December, 2022.
