

By-law Number 48-2018
of The Regional Municipality of Durham

Being a by-law to authorize the borrowing upon 15 year instalment debentures in the aggregate principal amount of \$4,366,000.00 for capital works of The Corporation of the Municipality of Clarington.

Whereas the *Municipal Act, 2001*, as amended (the “Act”) provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

And Whereas the Act also provides that a municipality shall authorize long-term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act;

And Whereas section 403 of the Act provides that a by-law of an upper-tier municipality authorizing the issuing of debentures for the purposes or joint purposes of one or more of its lower-tier municipalities may require those lower-tier municipalities to make payments in each year to the upper-tier municipality in the amounts and on the dates specified in the by-law and subsection 403(7) of the Act provides that all debentures issued under a by-law passed by an upper-tier municipality under section 403 of the Act are direct, joint and several obligations of the upper-tier municipality and its lower-tier municipalities;

And Whereas subsection 408 (2.1) of the Act provides that a municipality may issue a debenture or other financial instrument for long-term borrowing only to provide financing for a capital work;

And Whereas section 418 of the Act provides that a municipality may invest in prescribed securities, in accordance with the prescribed rules, money that it does not require immediately including: (a) money in a sinking, retirement or reserve fund; (b) money raised or received for the payment of a debt of the municipality or interest on the debt; and (c) proceeds from the sale, loan or investment of any debentures; provided that such an investment shall be made repayable on or before the day on which the money is required and any earnings derived from the investment shall be credited to the fund from which the money was invested;

And Whereas Ontario Regulation 438/97, as amended, provides that prescribed securities that a municipality may invest in include, among other things, bonds, debentures, promissory notes or other evidence of indebtedness issued or guaranteed by a municipality in Canada including the municipality making the investment;

And Whereas the Council of The Corporation of the Municipality of Clarington (the “Lower-tier Municipality”) has requested The Regional Municipality of Durham (the “Upper-tier Municipality”) to issue debentures to long-term finance the capital works of the Lower-tier Municipality (individually a “Capital Work”, collectively the “Capital Works”) set out in Column (2) of Schedule “A” attached hereto and forming part of this By-law (“Schedule “A”) in the aggregate principal amount of \$4,366,000.00 as specified in Column (5) of Schedule “A”;

And Whereas before authorizing the Capital Works and before authorizing any additional cost amount and any additional debenture authority in respect thereof, the Council of the Lower-tier Municipality had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation. Prior to the Council of the Lower-tier Municipality exercising its powers in respect of each Capital Work, each such additional cost amount and each such additional debenture authority, the Treasurer determined that the estimated annual amount payable in respect of each Capital Work, each such additional cost amount and each such additional debenture authority, would not cause the Lower-tier Municipality to exceed its updated limit and that the approval of each Capital Work, each such additional cost amount and each such additional debenture

authority by the Local Planning Appeal Tribunal pursuant to such regulation was not required;

And Whereas to provide long-term financing for the Capital Works it is now deemed to be expedient to borrow money by the issue and sale of 15 year instalment debentures of the Upper-tier Municipality in the aggregate principal amount of \$4,366,000.00 payable at the times and bearing interest at the rates hereinafter set forth.

Now therefore, the Council of The Regional Municipality of Durham hereby enacts as follows:

1. That for the Capital Works, the borrowing upon the credit of the Upper-tier Municipality at large of the aggregate principal amount of \$4,366,000.00 and the issue of instalment debentures therefor within the term of years set out in Column (6) of Schedule "A" in denominations of \$1,000.00 and any integral multiples thereof, as hereinafter set forth are hereby authorized.
2. That the Regional Chair and the Regional Treasurer of the Upper-tier Municipality are hereby authorized to cause any number of instalment debentures in the aggregate principal amount of \$4,366,000.00, as described in section 1, above (the "Debentures"), payable in annual instalments of principal with semi-annual instalments of interest thereon to be issued for such amounts of money as may be required for the Capital Works in global and definitive forms, not exceeding in total the said aggregate principal amount of \$4,366,000.00. The Debentures shall bear the Upper-tier Municipality's municipal seal and the signatures of the Regional Chair and of the Regional Treasurer of the Upper-tier Municipality, all in accordance with the provisions of the Act. The municipal seal of the Upper-tier Municipality and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in fully registered form as one certificate in the aggregate principal amount of \$4,366,000.00, substantially in the form attached as Schedule "B" hereto and forming part of this By-law (the "Initial Debenture"). The Initial Debenture shall be issued in the name of The Corporation of the Municipality of Clarington – Reserve Funds and shall provide for payment of principal and interest, by cheque sent by mail to the registered addresses of the registered holders or, if authorized in writing, by electronic transfer in other cases.
3. (1) That the Debentures shall all be dated the 14th day of September, 2018, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall mature within the term of years set out in Column (6) of Schedule "A" and the respective amounts of principal and interest payable in each of the years during the currency of the Debentures shall be as set forth in Schedule "C" attached hereto and forming part of this By-law ("Schedule "C"). The Debentures maturing (principal payable) in the year 2019 shall bear interest at the rate of 2.20% per annum, the Debentures maturing (principal payable) in the year 2020 shall bear interest at the rate of 2.45% per annum, the Debentures maturing (principal payable) in the year 2021 shall bear interest at the rate of 2.60% per annum, the Debentures maturing (principal payable) in the year 2022 shall bear interest at the rate of 2.75% per annum, the Debentures maturing (principal payable) in the year 2023 shall bear interest at the rate of 2.85% per annum, the Debentures maturing (principal payable) in the year 2024 shall bear interest at the rate of 2.90% per annum, the Debentures maturing (principal payable) in the year 2025 shall bear interest at the rate of 3.00% per annum, the Debentures maturing (principal payable) in the year 2026 shall bear interest at the rate of 3.05% per annum, the Debentures maturing (principal payable) in the year 2027 shall bear interest at the rate of 3.10% per annum, the Debentures maturing (principal payable) in the year 2028 shall bear interest at the rate of 3.15% per annum, the Debentures maturing (principal payable) in the year 2029 shall bear interest at the rate of 3.20% per annum, the Debentures maturing (principal payable) in the year 2030 shall bear interest at the rate of 3.25% per annum, the

Debentures maturing (principal payable) in the year 2031 shall bear interest at the rate of 3.25% per annum, the Debentures maturing (principal payable) in the year 2032 shall bear interest at the rate of 3.30% per annum and the Debentures maturing (principal payable) in the year 2033 shall bear interest at the rate of 3.30% per annum.

(2) That payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario, are not authorized or obligated by law or executive order to be closed (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

4. That interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the Upper-tier Municipality as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular semi-annual interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.
5. (1) That in each year in which a payment of an instalment of principal and interest becomes due in respect of the Debentures, there shall be raised as part of the general upper-tier levy the amounts of principal and interest payable in each year as set out in Schedule "C" to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality. Without limiting the generality of the foregoing the Lower-tier Municipality shall pay to the Upper-tier Municipality the amounts required to be paid to the Upper-tier Municipality by the Lower-tier Municipality in respect of the Capital Works, as set out in Schedule "C", one Business Day before the date payment is due. The amounts required to be paid to the Upper-tier Municipality in accordance with Schedule "C" shall constitute a debt of the Lower-tier Municipality to the Upper-tier Municipality and such amounts shall, when combined with any amount payable by the Upper-tier Municipality in the year for repayment of the debt for which the Debentures are to be issued, be sufficient to meet the total amount of principal and interest payable in the year by the Upper-tier Municipality in respect of the Debentures, all in accordance with the provisions of this By-law and the Act.

(2) That if the Lower-tier Municipality fails to make any payment or portion of it as provided in this By-law, the Lower-tier Municipality shall pay interest to the Upper-tier Municipality on the amount in default at the rate of 15% per annum, from the date the payment is due until it is made.

(3) That there shall be raised, pursuant to this By-law, in each year of the currency of the Debentures, as part of the general upper-tier levy, the amounts required to be paid to the Upper-tier Municipality in any previous year by the Lower-tier Municipality to the extent that the amounts have not been paid to the Upper-tier Municipality in accordance with this By-law and the Act.
6. That the Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
7. That the Upper-tier Municipality shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the Upper-tier Municipality is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.

8. That the Upper-tier Municipality shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The Upper-tier Municipality shall deem and treat registered holders of the Debentures, including the Initial Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the Upper-tier Municipality on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the Upper-tier Municipality. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the Upper-tier Municipality.
9. That the Debentures are transferable or exchangeable at the office of the Regional Treasurer of the Upper-tier Municipality upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the Upper-tier Municipality and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Regional Chair and the Regional Treasurer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferor, in the case of a transfer or as directed by the registered holder in the case of an exchange.
10. That the Regional Chair and the Regional Treasurer shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity dates and of like form which have become mutilated, defaced, lost, subject to a mysterious or unexplainable disappearance, stolen or destroyed, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case when a Debenture is mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed) furnished the Upper-tier Municipality with such evidence (including evidence as to the certificate number of the Debenture in question) and an indemnity in respect thereof satisfactory to the Upper-tier Municipality in its discretion; and (c) surrendered to the Upper-tier Municipality any mutilated or defaced Debenture in respect of which new Debentures are to be issued in substitution.
11. That the Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity dates and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.
12. That the cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the Upper-tier Municipality. When any of the Debentures are surrendered for transfer or exchange the Regional Treasurer of the Upper-tier Municipality shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange; and (d) in the case of a transfer, enter in the registry the name of the registered holder as directed by the transferor.

13. That subject to an agreement that the Upper-tier Municipality may enter into to the contrary, reasonable fees may be imposed by the Upper-tier Municipality for the substitution of a new Debenture or new Debentures for any of the Debentures that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed and for the replacement of any of the interest cheques that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed. When new Debentures are issued in substitution in these circumstances the Upper-tier Municipality shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.
14. That except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
15. (1) That the Regional Chair and the Regional Treasurer are hereby authorized to cause the Debentures to be issued, one or more of the Regional Treasurer and the Regional Clerk are hereby authorized to generally do all things and to execute all other documents and papers in the name of the Upper-tier Municipality in order to carry out the sale of the Debentures and the Regional Treasurer is authorized to affix the Upper-tier Municipality's municipal seal to any of such documents and papers.

(2) That the money received by the Upper-tier Municipality from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, after providing for the expenses related to their issue, if any, shall be delivered to the Lower-tier Municipality on the basis that the Lower-tier Municipality shall apportion and apply such money to the Capital Works, in accordance with this By-law, and to no other purpose except as permitted by the Act.
16. That subject to the Upper-tier Municipality's investment policies and goals and the applicable legislation, the Upper-tier Municipality may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Upper-tier Municipality may in its discretion determine.
17. That this By-law comes into force and takes effect on the date of its final passing.

This By-law Read and Passed on the 12th day of September, 2018.
