

## Disqualified Companies

This list contains the names of companies that were determined to be disqualified from bidding or contract award as per the Purchasing By-law 16-2020. Disqualified companies are ineligible to be awarded a contract or allowed as a subcontractor by companies awarded contracts for the Region of Durham.

As the prime contractor, the information in this list can help you ensure that you:

- enter into contracts only with eligible subcontractors
- hold eligible subcontractors to the same terms and conditions as those that appear in your own contracts

Any questions, please email [durhamregionpurchasing@durham.ca](mailto:durhamregionpurchasing@durham.ca)
