About Durham Region

- Durham Region's booming growth offers vast investment opportunity. This package includes select industrial and commercial properties for sale or lease. Properties are in various levels of servicing, and new properties regularly come to market. Contact us to learn more about any specific property.
- Nestled between three lakefronts, Durham is where the excitement of the city and the tranquility of countryside meet. Durham Region's population grew 9.3 per cent between 2018 to 2023 reaching 750,000 and is forecast to grow to 1.3 million by 2051.
- Located on the eastern side of the Greater Toronto and Hamilton Area (GTHA), Durham's location offers prime access to large consumer markets in the United States and Canada. There are 135 million consumers within a day's drive.
- Durham Region offers competitive cost advantages to investors. Home to an established energy cluster, a strong transportation network, and a diverse range of industrial and commercial properties, Durham Region is an ideal place to start, relocate, or build a business.

About Durham Region

Booming Growth

2023 Non-Residential building permits reached all time high of \$1.23 billion.

In Demand

Daily GO Train Service every 15 minutes on the Lakeshore East line.
