Police-reported domestic incidents rate (2011-2015)

What You Need to Know

- A lower rate of incidents is better for health.
- The rate ranges by Health Neighbourhood from 28.0 to 423.5 per 10,000 population.
- Rates are highest in the seven Priority Neighbourhoods, particularly Downtown Oshawa and Lakeview. Rates are lowest in Uxbridge, Whitby and Scugog but all municipalities are significantly lower than Durham Region except for Oshawa which is significantly higher. The rates likely underestimate the extent of the problem because people may not report domestic incidents to the police.

Indicator Notes

- This indicator measures the number of police-reported domestic incidents, per 10,000 people.
- Source: Durham Region Police Service, Durham Region 2011-2015, Incident-based Uniform Crime Reporting (UCR) Survey, Accessed September 2016.
- Incident-based reporting provides one record for each incident although each could include multiple offences, victims, offenders and charges. Police could be called to a specific household multiple times with each counted as an incident. Domestic means that intimate partners are involved. Intergenerational incidents such as child or elder abuse that do not also include intimate partners are not included in this indicator. Incidents are geocoded to the location or residence of the incident.
- We sorted Neighbourhoods by the incident rate and divided them into quintiles (five equal groupings) based on the total number of incidents in those Neighbourhoods.
- We compared Neighbourhoods with Durham Region based on their confidence intervals. Those with rates that were lower or higher had 95% confidence intervals that did not overlap with those of Durham Region and were significantly different.
- Priority Neighbourhoods are communities that require focus to build on health and well-being. The Priority Neighbourhoods are: 1) Downtown Ajax – Ajax, 2) Downtown Whitby – Whitby, 3) Lakeview – Oshawa, 4) Gibb West – Oshawa, 5) Downtown Oshawa – Oshawa, 6) Central Park – Oshawa, 7) Beatrice North – Oshawa.
