Hand Sanitizers

Step 1:

Apply 1-2 pumps of sanitizer to palm of dry hand

 enough for hands to stay wet for at least 15 seconds

Spread hand sanitizer over Step 2: all surfaces of hands

> palms, backs of hands, between fingers, around thumbs and fingernails

Step 3:

Continue to rub hands together until dry

REMEMBER, hand sanitizers should only be used when hands are visibly clean. Wash hands with soap and water if hands are visibly dirty.
