

COVID-19

In the last 10 days, have you experienced any of the following symptoms?

Fever/chills

Cough

Shortness of breath

Loss of taste or smell

Two or more of the following:

Sore throat

Runny/stuffy nose

Headache, fatigue, aches or pain

Nausea/vomiting/diarrhea

Note: If you are fully vaccinated and not immune compromised, you can answer **NO** if you experienced the symptoms more than 5 days ago and symptoms have been improving for 24 hours.

Has a health care provider or public health unit told you that you should currently be isolating?

Do any of the following apply?

1. You live with someone who is isolating because of a positive COVID-19 test
2. You live with someone who is isolating because of COVID-19 symptoms
3. You live with someone who is waiting for COVID-19 test results
4. In the last 10 days, you have been identified as a "close contact" and you are not fully vaccinated or immune compromised

If you answered YES to any of these questions, please do NOT enter this location. Call Telehealth or your health care provider to be assessed.
