

Grandview Kids Paediatric Vaccine Clinic

Grandview Kids is proud to offer our paediatric COVID-19 vaccine clinic for **ALL** children ages 5 to 11 years **AND** youth ages 12-18, especially those who may need a little extra help receiving their vaccine.

Our main site in Oshawa lends a child and youth-focused environment to the clinic, with plenty of activities, treats and words of encouragement to keep your child at ease throughout the process.

Please keep in mind:

- This clinic is open only to children ages 5 years (born in 2016) to 11 years and youth ages 12-18.
- Your child or youth **does not** need to be a Grandview Kid to attend.
- You can register your child or youth for their first or second dose.
- The clinic is run at Grandview Kids' main site in Oshawa, located at 600 Townline Rd. S.
