

# Infection Prevention and Control (IPAC) Lapse Report

## Initial Report

Premise/facility under investigation:

i Sun Hair Salon Nail Spa

Address:

306 Stevenson Rd N, Oshawa ON L1J 5M9

Type of premise/facility: Personal Service Settings

---

### IPAC Lapse Details

Date board of health became aware of potential IPAC lapse: 2024-10-21

Date IPAC lapse was linked to premise/facility: 2024-10-21

Date of initial report posting: 2024-10-31

How the potential IPAC lapse was identified: Complaint

Summary description of the IPAC lapse:

Observed instruments, equipment, and surfaces to be dirty and/or not being properly cleaned and disinfected. Observed reusable tools not being stored in a sanitary manner. Observed furnishings and equipment made of absorbent material/not maintained in good condition. Observed single-use items not discarded immediately after each client. Operator stated they would reuse a wax applicator (i.e., double dipping). A dedicated hand wash sink was not provided in an area where personal services are offered. No notification to the Health Department of renovations and addition of services.

---

### IPAC Lapse Investigation

Did the IPAC lapse involve a member of a regulatory college? No

Concise description of the corrective measures required:

- Operator to ensure all surfaces are kept clean and in a sanitary manner.
- Operator to ensure all surfaces and furnishings are made of durable, smooth, non-absorbent, and easy to clean material.
- Operator to discard all single-use items immediately after each use, and not reuse or share between clients.
- Operator to clean reusable implements by using a clean, dedicated brush with detergent and water and friction to remove debris prior to disinfection.

- Operator to properly clean and disinfect all reusable implements after each use.
- Operator to properly clean and disinfect all foot baths after each client.
- Operator to store reusable aesthetic tools and hair tools in clean, covered containers.
- Operator to provide a hand washing sink conveniently located to the work area.
- Operator to dispense wax in a manner that prevents contamination (e.g., no double dipping).
- Operator to provide at least 14 days written notice to the health department before commencing renovations and/or providing additional personal services.

Date any order(s) or directive(s) were issued to the owner/operator:

October 21, 2024, October 24, 2024, October 28, 2024, & November 4, 2024

## Final Report

Date of final report posting: 2024-11-07

Brief description of corrective measures taken: Inspections were conducted. Confirmed operator corrected all items noted above.

Date all corrective measures were confirmed: 2024-11-04

---
