Meningococcal Conjugate-ACYW (Menactra®/Menveo®) Vaccine Batch Order – NEW!

Effective immediately health care providers in Durham Region will **no longer** require completing the batch order usage form when placing a batch order for Men-C-ACYW vaccine.

Vaccine obtained through the batch order continues to be **publicly funded only for the following individuals:**

- 1) Adults born on or after January 1, 1997 who have **never** received a dose of Men-C-ACYW vaccine before.
- 2) Grade 8 to 12 students who have **never** received a dose of Men-C-ACYW vaccine before.

Men-C-ACYW is routinely given by the Durham Region Health Department to students in grade 7 through school based immunization clinics. The Health Department nurse will assess eligibility for grade 7 students. Any student determined to be unable to receive the vaccine through the Health Department immunization clinics will require a special release order.

Please remember to submit temperature logs from the date of your last vaccine order when placing a batch order.

Health care provider resources now available to order online durham.ca/HCP.
