For Health Care Professionals

COVID-19 Vaccine Survey

The Public Health Agency of Canada (PHAC) is currently **surveying health care providers** on **COVID-19 vaccine resource and training needs**. The online survey will be active until **December 13, 2020**.

Your feedback will ensure valuable training and resources are developed for use with clients and/or patients during COVID-19 vaccine discussions and administration. The survey can be accessed here: [COVID-19 vaccine resource and training needs survey for health care providers](https://ca1se.voxco.com/SE/?st=9O6sf%2B11A2O2hF5o9Hg5Fa7MT4c7RUhC1OWClmEqUyQ%3D&lang=en) (also at <https://ca1se.voxco.com/SE/?st=9O6sf%2B11A2O2hF5o9Hg5Fa7MT4c7RUhC1OWClmEqUyQ%3D&lang=en>).

The questionnaire focuses on health care providers who engage in vaccination-related activities; however, other health care providers can also complete the survey.

Questions or comments regarding the survey should be directed to the Immunization Promotion and Partnerships Unit at phac.vaccination.aspc@canada.ca.

If you prefer to receive Fax About information in an electronic format via email, please contact faxabout@durham.ca and request to have your name added to our email distribution list.
