## Hepatitis B Vaccine Packaging Has Changed!

The Ontario Government Pharmacy and Medical Supply Services (OGPMSS) is switching to **prefilled syringes for the Engerix-B® vaccine.**

Please note the following:

- Package contains one 23 gauge x 1” needle (not safety engineered)
- Packaging size is 42 x 24 x 133mm, which will use more room in vaccine fridges

**Please ensure your designated vaccine fridge has sufficient storage space when placing your monthly order**

**OLD**

**NEW**

Certain high-risk clients are eligible for Hepatitis B Vaccine. Order forms (and high-risk criteria) can be found on [durham.ca/hcp](http://durham.ca/hcp)

For more information please refer to the Engerix-B® vaccine product monograph.

Health care provider resources now available to order online [durham.ca/hcp](http://durham.ca/hcp)
