

Daily Screening Protocol

**All children, staff, and essential visitors
must complete a self-screen prior to entry into the child care centre.**

Do you or your child have any of the following symptoms? *Not related to chronic or other known causes or conditions:*

- Fever and/or chills
- Cough
- Shortness of breath
- Decrease or loss of smell or taste
- Sore throat
- Stuffy nose and/or runny nose
- Headache
- Fatigue, lethargy, muscle aches and/or malaise
- Nausea, vomiting and/or diarrhea
- Pink eye
- Stomach pain/ache

Has your child, or you as a staff/essential visitor:

- Travelled outside of Canada in the past 14 days?
- Been identified as a close contact of someone who is confirmed as having COVID-19 by the Durham Region Health Department?
- Been directed by a health care provider, including a public health official, to isolate?

If you have answered **YES to any of the above**

DO NOT ENTER

the child care centre.

Please contact your centre supervisor for further direction.
