

## **Kindergarten Parent Survey Winners Selected!**

August 2018

Thank you, Kindergarten parents!

The Children's Services Division would like to thank parents of children in year 1 and year 2 kindergarten who participated in the 2018 Kindergarten Parent Survey. This survey was conducted by The Regional Municipality of Durham, in partnership with the [Offord Centre for Child Studies at McMaster University](#) and local school boards.

The draw has taken place, and we have awarded 20 Durham residents with \$50 gift cards to the grocery store of their choice.

The survey received more than 1,500 responses from parents and caregivers. We appreciate your feedback and participation. Results will be posted on the Children's Services Division of our website in early 2019.

To learn more about the Kindergarten Parent Survey, please visit the Offord Centre for Child Studies website <https://edi.offordcentre.com/about/kps/>.
