

Worksheet 2: Recycle, Grade 3 Social Studies

What new items can be made from the materials you place in your blue box?

Research what new items can be made by recycling the items below. Include at least three items from your findings in the 'after' column. The first row has been completed for you!

Before	After
<p data-bbox="110 478 204 514">Glass</p> 	<ul data-bbox="777 485 1149 611" style="list-style-type: none">• New glass bottles• Recycled glass tiles• New glass jars
<p data-bbox="110 737 370 772">Aluminum Cans</p> 	
<p data-bbox="110 1005 464 1041">Paper and Cardboard</p> 	
<p data-bbox="110 1266 289 1302">Steel Cans</p> 	
<p data-bbox="110 1533 220 1568">Plastic</p>
