

How we help people in the CHPI program?

- Connecting tenants with landlords
- Mediating issues between landlords and tenants
- Applying for subsidies such as reduced hydro bills, last months rent, and rent and utility arrears
- Arranging direct payment options from social assistance to landlords
- Partnering with other agencies to meet your needs
- Harm Reduction outreach Program Including injection and smoking supplies, education, referrals and advocacy supports

Community Homelessness Prevention Initiative CHPI at CLDN

At CHPI our mission is to prevent, reduce and address social problems that create and prolong homelessness.

We are funded by Durham Region to work with those at risk of or experiencing homelessness in north Durham.

We provide outreach services in Uxbridge, Scugog and Brock Townships and

We will come to you!

Our focus is to provide a wrap-around services to ensure successful housing. We work to connect people with services and safe and affordable housing that meets their needs.

Who we can work with

We can work with anyone in the north Durham area who meets the following:

- low income,
- status in Canada
- assets less than \$50,000(single person) and \$75,000(couples and families).

You do not need to be homeless, connected with other agencies or have a support worker to get connected to CHPI. We work with people at risk of becoming homeless and accept self referrals.

Do you still have questions?

If so give us a call!
