Program Eligibility

Property owners must replace the privately-owned section of their lead water service prior to, or during the replacement of the Region-owned water service.

Please select one of the following two options that apply to you:

I plan to replace the private portion of my lead water service and I have enclosed a signed agreement with the contractor indicating that the private side of the water service will be replaced when the Region-owned portion is replaced.

I have already replaced the private portion of my lead water service, and I have enclosed an invoice from a contractor indicating that the private side of the water service has been replaced, including the date of replacement and cost of work.

Declaration

All costs incurred for the replacement of the customer-owned pipe from the water meter to property boundary are the responsibility of the homeowner. These costs will not be reimbursed or financed by Durham Region.

If upon assessment of the property the curb stop (shut off valve often located near the boulevard or sidewalk) is deemed to be unfit or improperly placed, a new curb stop will be installed and located at the property boundary (see diagram on page three).

This application does not relieve the applicant of the obligation to secure any other necessary approvals.

I acknowledge that this application and supporting documents will be considered as public documents and are available upon written request under the Municipal Freedom of Information and Protection of Privacy Act (the Act). I understand that any and all personal information gathered by Durham Region will be used only for the express purpose(s) of the application for which it has been provided, and will not be divulged to any third party, private or public, without prior written consent, as provided for in the Act.

I acknowledge and agree that any notice issued pursuant to this application may be revoked if it is issued on the basis of false, inaccurate or misleading information.

I, _____ (print homeowner name) declare that the above information is correct to the best of my knowledge. By signing this application, I agree to allow Durham Region staff to enter onto the subject property as part of the review process.
