

Traffic Signals Standard Drawings

Index

Standard Number	Description	Revision No.	Revision Date
S-400.010	Concrete Footing for Base Mounted Lighting and Signal Poles	19	2021-05
S-400.011	Concrete Footing for Pedestal Supply Control Cabinet	13	2017-04
S-400.012	Steel Footing and Installation for Base Mounted Poles		
S-400.020	Concrete Footing for Traffic Controller Cabinet	9	2021-04
S-400.021	Concrete Footing for 'M' Type Traffic Controller Cabinet	13	2013-04
S-400.022	Traffic Controller Cabinet Footing Extension	1	2022-04
S-400.030	Electrical Handhole with Cover Non-Concrete 450 mm Dia.	19	2018-05
S-400.031	Electrical Handhole with Cover Non-Concrete, 450 mm Dia. Grade Adjustment	3	2017-04
S-400.032	Electrical Handhole with Cover Non-Concrete, 370 mm Dia.	4	2016-04
S-400.033	Electrical Handhole with Cover Non-Concrete, Rectangular	6	2017-04
S-410.011	Pedestrian Signal Head and Push Button Installation on Steel Pole	5	2018-05
S-410.020	Traffic Signal Equipment Installation on Steel Poles (Underground Wiring)	5	2021-04
S-410.021	Traffic Signal Equipment Installation on Steel Poles (Overhead Wiring)	5	2021-04
S-410.022	Traffic Signal Equipment Installation on Wooden or Concrete Pole (Underground Wiring)	4	2023-04
S-410.023	Traffic Signal Equipment Installation on Wooden or Concrete Pole (Overhead Wiring)	2	2017-04
S-410.24	Bicycle Signal Head Installation on Steel Pole	1	2020-04
S-410.030	Aluminum Single Member Arm Mounting Details	2	2013-04
S-410.040	Traffic Signal Head Mounting Details	3	2023-04
S-410.050	Double Arm Bracket Mounting Details (for Wooden, Steel and Concrete Poles)	1	2013-04

Traffic Signals Standard Drawings

Standard Number	Description	Revision No.	Revision Date
S-410.055	Traffic Signal Dual-End Hanger	1	2021-04
S-410.060	Optical Pre-Emption Detector Mounting Details (Mast Arm and Pole Mounting)	1	2021-04
S-410.070	Mast Arm Street Name Sign Mounting Details	3	2016-04
S-410.080	Traffic Signal Controller Cabinet Installation on Pole	3	2013-04
S-410.081	Traffic Signal Controller Cabinet Installation on Concrete Footing	4	2021-04
S-410.082	Traffic Signal Controller Cabinet Installation on Temporary Footing	2	2017-04
S-410.83	Traffic Signal Controller Cabinet Installation on Concrete Footing with Extension	5	2021-04
S-410.090	Supply Control Cabinet Installation on Steel Pole – Overhead Supply (Overhead or Underground Signal Wiring)	4	2014-04
S-410.091	Supply Control Cabinet Installation on Wooden or Concrete Pole – Overhead Supply (Underground Signal Wiring)	5	2023-04
S-410.092	Supply Control Cabinet Installation on Wooden or Concrete Pole – Overhead Supply (Overhead Signal Wiring)	3	2013-04
S-410.093	Supply Control Cabinet Installation on Sectional Steel Pole – Underground Supply (Underground Signal Wiring)		
S-411.010	Pedestal Supply Control Cabinet Installation – Underground Supply (Underground Signal Wiring)	5	2023-04
S-411.020	Electrical Grounding System	10	2017-04
S-411.030	Traffic Control Signal Assignment and Tape Marking	2	2014-04
S-411.040	Loop Detector Assignment and Tape Marking	1	2013-04
