### **Congratulations to the Liberal Party of Canada**

Whitby, Ontario – Congratulations to Prime Minister-designate Justin Trudeau and the entire Liberal team on their impressive electoral victory. There is a clear role for the federal government to play in cooperating with municipalities to deliver sustainable infrastructure, address climate change, and create jobs through growth and innovation.

Here in Durham, we will work diligently with our federal partners on modern approaches to revitalizing the auto sector, investment in public transit, progress on the federal airport lands, and support for our agriculture sector and energy industry.

I look forward to working with each of the Members of Parliament representing Durham Region, returning and new, to help build a stronger community, and stronger country.

Thank you to all residents who took the time to exercise your right to vote. Hearing directly from citizens on a regular basis helps elected officials to prioritize issues and respond accordingly. Together, we can chart the Region's path forward.
