

REGIONAL MUNICIPALITY OF DURHAM

DEVELOPMENT CHARGE INFORMATION

The following pamphlet summarizes the Development Charge Policy of the Regional Municipality of Durham. The information provided is intended only as a guide. Applicants should review the approved by-laws and consult with the Regional Works Department to determine the charges that may apply to specific development proposals.

PURPOSE OF DEVELOPMENT CHARGES

New development generates capital costs which should be financed from this new development. Development charges are a viable capital funding source to recover the net cost of these capital expenditures. In arriving at the net cost, allowance is made for provincial and/or federal grants, where applicable, and other sources of funding as well as the other deductions required by the *Development Charges Act, 1997 (DCA)*.
