The Standard Charge Terms filed as No. 200033 apply to the Security under section 10, including the Additional Provisions listed below.

In this Schedule, "Charged Premises" means the legal description of the land as set in Schedule "A" of the Agreement.

Additional Provisions

1. This Charge is collateral security for the Chargor's performance of its obligations under the Municipal Capital Housing Facilities and Contribution Agreement made between the Chargor and the Chargee dated [DATE] (the "Agreement"), and a default under the terms of the Agreement shall constitute a default under this Charge.
2. It is understood and agreed that the Chargee may pursue its remedies under this Charge, or under any other security as may be applicable, concurrently or successively, at its option. The Chargee shall act reasonably and in good faith in considering the course of action to be taken with respect to the pursuit of its remedies.
3. In the event of a default under the terms of the Agreement, the principal balance then outstanding shall forthwith become due and payable at the option of the Chargee, and all powers conferred by this Charge shall become exercisable by the Chargee.
4. With respect to the portion of the principal amount advanced by the Chargee, no interest shall accrue, and the principal shall be forgiven in accordance with Section 3 of the Agreement.
5. The Chargor covenants with the Chargee that if the Chargee makes any payment, for the purpose of or in connection with the determination, establishment or preservation of its priority, then any amount paid and all costs, charges and expenses incurred in connection therewith shall be forthwith payable to the Chargee by the Chargor. The amount payable shall be a charge on the Charged Premises and shall be added to the debt hereby secured. In default of payment, the power of sale and other remedies hereunder may be exercised. It is further agreed that the Chargee shall not become a mortgagee in possession by reason only of exercising any of the rights given to them under this paragraph or in making any payment to preserve, protect or secure the Charged Premises.
6. Section 14 of the Standard Charge Terms filed as filed as No. 200033 is deleted and the following substituted:

The Chargor covenants with the Chargee that in the event of the Chargor selling, conveying, transferring or entering into an agreement for the sale or transfer of title of the Charged Premises to a purchaser or transferee without the written consent of the Chargee as required under Section 12 of the Agreement, the principal amount secured with this Charge, or such lesser amount as may be outstanding under the provisions of the Agreement, shall at the option of the Chargee, immediately become due and payable.

7. Section 16 of the Standard Charge Terms filed as No. 200033 is deleted and the provisions of Schedule "G" of the Agreement are substituted with respect to insurance requirements.
8. Section 24 of the Standard Charge Terms filed as No. 200033 is deemed to be excluded.
9. The Charge is hereby postponed to all mortgages registered against the Charged Premises as of the date of registration of this Charge and shall be continued to be postponed to any renewal or replacement or consolidation of such mortgages, with or without an increased rate of interest.
10. Subject to the renewals, replacements and consolidations permitted in paragraph 9 above, the Chargor shall not further mortgage or encumber the Charged Premises without the prior written approval of the Chargee.
11. It is understood and agreed that notwithstanding anything in the standard charge terms made part of this Charge, or any provisions of the Agreement or other security provided in connection with this Charge, the Chargor shall not be obligated or liable to repay all or any portion of the indebtedness hereunder including principal, interest, premium, costs of realization, damages or any other monies secured by owing under or in connection herewith, including under any indemnity (collectively for the purpose of this paragraph only the "Indebtedness") and that the recourse of the Chargee to recover the Indebtedness shall be limited and restricted to the right of the Chargee to enforce its security solely against the charged property and the rents, chattels and proceeds (including insurance proceeds) relating to the charged property and to realize against the interest of the Charge or in the charged property and the proceeds thereof, and that the Chargee shall not be entitled to effect realization against any other property of assets or the Chargor (or any other person, corporation, partnership or entity) any deficiency remaining outstanding after such realization.
