

Village of Brooklin - Town of Whitby, Zone 4 water pressure system

Planned short duration low water pressure

Works Department

October 9, 2025

Public Notice

The Regional Municipality of Durham Works Department would like to inform residents that from Tuesday, October 14 at 8 a.m. to Friday, October 17 at 5 p.m., Regional staff will be doing work on the Brooklin (Whitby) Zone 4 water pressure system. As a result, residents in the area may experience lower than normal water pressure. The areas of potential low water pressure are located east and west of Thickson Road North between Columbus Road East and Carnwith Drive East, and between Bayberry Court and Nightingale Crescent (see map below).

The work is being conducted as part of the future upgrades to the Zone 4 water pressure system. If you experience no water during the planned work or lower than normal water pressure after 5 p.m. on Friday, October 17, please call the after-hours emergency number at 905-576-9991 or 1-800-372-1104.

Should you have any questions or comments, please contact 311.

If this information is required in an accessible format, please dial 311 (within regional limits) or 1-800-372-1102.
