---

### IPAC Lapse Details

Date board of health became aware of potential IPAC lapse: 2026-05-25

Date IPAC lapse was linked to premise/facility: 2026-05-28

Date of initial report posting: 2026-06-04

How the potential IPAC lapse was identified: Complaint

Summary description of the IPAC lapse:

1. Observed clean reusable and new single-use aesthetic, manicure, and pedicure items stored uncovered throughout the facility.
2. Observed used pedicure tools not disassembled prior to reprocessing and with accumulation of nail and skin debris soaking in disinfectant solution.
3. Observed used and soiled manicure tools stored inside manicure stations and not reprocessed immediately after use on clients.
4. Observed used single-use items stored at manicure stations and not disposed of immediately after use on clients.

---

### IPAC Lapse Investigation

Did the IPAC lapse involve a member of a regulatory college? No

Concise description of the corrective measures required:

1. Operator to ensure that all items are stored in a sanitary manner and inside clean covered containers.
2. Operator to ensure single-use items are discarded immediately after each use.
3. Operator to ensure proper thorough cleaning and disinfection of all reusable implements and equipment after each use.
4. Operator to ensure all disinfectant solutions are clean and used according to manufacturer directions.

Date any order(s) or directive(s) were issued to the owner/operator:

2026-05-28

## Final Report

Date of final report posting: 2026-06-04

Brief description of corrective measures taken: Inspection was conducted. Confirmed that requirements noted above were corrected.

Date all corrective measures were confirmed: 2026-06-02

---
