

By-law Number 53-2019
of The Regional Municipality of Durham

Being a by-law to authorize the borrowing upon instalment debentures in the aggregate principal amount of \$6,400,000.00 (\$2,400,000.00 principal amount of 5 year instalment debentures and \$4,000,000.00 principal amount of 10 year instalment debentures, \$1,694,000.00 of which 5 year instalment debentures may be raised by the issue of refinancing instalment debentures on or before the maturity date) for a capital work of The Corporation of the Township of Uxbridge.

Whereas the *Municipal Act, 2001*, as amended (the "Act") provides that a municipality may incur a debt for municipal purposes, whether by borrowing money or in any other way, and may issue debentures and prescribed financial instruments and enter prescribed financial agreements for or in relation to the debt;

And Whereas the Act also provides that a municipality shall authorize long-term borrowing by the issue of debentures or through another municipality under section 403 or 404 of the Act;

And Whereas section 403 of the Act provides that a by-law of an upper-tier municipality authorizing the issuing of debentures for the purposes or joint purposes of one or more of its lower-tier municipalities may require those lower-tier municipalities to make payments in each year to the upper-tier municipality in the amounts and on the dates specified in the by-law and subsection 403 (7) of the Act provides that all debentures issued under a by-law passed by an upper-tier municipality under section 403 of the Act are direct, joint and several obligations of the upper-tier municipality and its lower-tier municipalities;

And Whereas subsection 408 (2.1) of the Act provides that a municipality may issue a debenture or other financial instrument for long-term borrowing only to provide financing for a capital work;

And Whereas clause (a) of subsection 408 (4) of the Act provides that a debenture by-law shall provide for raising in each year as part of the general upper-tier levy the amounts of principal and interest payable in each year under the by-law to the extent that the amounts have not been provided for by other taxes or by fees or charges imposed on persons or property by a by-law of any municipality. Clauses (b) and (c) of subsections 408 (4) provide that a debenture by-law shall include provisions for the repayment of the principal in annual instalments and payment of the interest on the unpaid balance in one or more instalments in each year and may provide for instalments of combined principal and interest. Subsection 408 (5) of the Act further provides that the total amount of principal and interest that must be raised in a year under clause (a) of subsection 408 (4) of the Act does not include any outstanding amount of principal specified as payable on the maturity date of a debenture if one or more refinancing debentures are issued by the municipality on or before the maturity date in respect of the outstanding principal

And Whereas the Council of the Upper-tier Municipality received a request of the Council of the Lower-tier Municipality to borrow money for the capital work of the Lower-tier Municipality set out in Column (2) of Schedule "A" attached hereto and forming part of this By-law ("Schedule "A") which capital work is hereinafter referred to as the "Capital Work", and to issue debentures for the Capital Work in the aggregate principal amount of \$6,400,000.00;

And Whereas before authorizing the Capital Work and before authorizing any additional cost amount and any additional debenture authority in respect thereof, the Council of the Lower-tier Municipality had its Treasurer calculate an updated limit in respect of its most recent annual debt and financial obligation limit received from the Ministry of Municipal Affairs and Housing in accordance with the applicable regulation. Prior to the Council of the Lower-tier Municipality exercising its powers in respect of the Capital Work, each such additional cost amount and each such additional debenture authority, the Treasurer determined that the estimated annual amount payable in respect of the Capital Work, each such additional cost amount

and each such additional debenture authority, would not cause the Lower-tier Municipality to exceed the updated limit and that the approval of the Capital Work, each such additional cost amount and each such additional debenture authority by the Local Planning Appeal Tribunal pursuant to such regulation was not required;

And Whereas to provide long-term financing for the Capital Work it is now deemed to be expedient to borrow money by the issue and sale of instalment debentures of the Upper-tier Municipality in the aggregate principal amount of \$6,400,000.00 (\$2,400,000.00 principal amount of 5 year instalment debentures and \$4,000,000.00 principal amount of 10 year instalment debentures, \$1,694,000.00 of which 5 year instalment debentures may be raised by the issue of refinancing instalment debentures on or before the maturity date over a further term not to exceed 10 years) payable at the times and bearing interest at the rates hereinafter set forth, as agreed to by the Upper-tier Municipality on November 5, 2019.

Now therefore, the Council of The Regional Municipality of Durham hereby enacts as follows:

1. That for the Capital Work, the borrowing upon the credit of the Upper-tier Municipality at large of the aggregate principal amount of \$6,400,000.00 (\$2,400,000.00 principal amount of 5 year instalment debentures and \$4,000,000.00 principal amount of 10 year instalment debentures, \$1,694,000.00 of which 5 year instalment debentures may be raised by the issue of refinancing instalment debentures on or before the maturity date over a further term not to exceed 10 years) and the issue of instalment debentures therefor within the terms of years set out in Column (6) of Schedule "A" in denominations of \$1,000.00 and any integral multiples thereof, as hereinafter set forth are hereby authorized.
2. That the Regional Chair and the Regional Treasurer of the Upper-tier Municipality are hereby authorized to cause any number of instalment debentures in the aggregate principal amount of \$6,400,000.00, as described in section 1, above (the "Debentures"), payable in annual instalments of principal with semi-annual instalments of interest thereon to be issued for such amounts of money as may be required for the Capital Work in global and definitive forms, not exceeding in total the said aggregate principal amount of \$6,400,000.00. The Debentures shall bear the Upper-tier Municipality's municipal seal and the signatures of the Regional Chair and of the Regional Treasurer of the Upper-tier Municipality, all in accordance with the provisions of the Act. The municipal seal of the Upper-tier Municipality and the signatures referred to in this section may be printed, lithographed, engraved or otherwise mechanically reproduced. The Debentures are sufficiently signed if they bear the required signatures and each person signing has the authority to do so on the date he or she signs. The Debentures shall initially be issued in global fully registered form as part of one certificate in the aggregate principal amount of \$17,291,000.00, substantially in the form attached as Schedule "B" hereto and forming part of this By-law (the "Global Debenture"). The Global Debenture shall initially be issued in the name of CDS & CO. as nominee of CDS Clearing and Depository Services Inc. ("CDS") and shall provide for payment of principal and interest electronically in final and irrevocable same-day funds in accordance with the applicable requirements of CDS, so long as the Global Debenture is held by CDS.
3. (1) That the Debentures shall all be dated the 29th day of November, 2019, and as to both principal and interest shall be expressed and be payable in lawful money of Canada. The Debentures shall mature within the terms of years set out in Column (6) of Schedule "A" and the respective amounts of principal and interest payable in each of the years during the currency of the Debentures shall be as set forth in Schedule "C" attached hereto and forming part of this By-law ("Schedule "C"). The Debentures maturing (principal payable) in the year 2020 shall bear interest at the rate of 1.95% per annum, the Debentures maturing (principal payable) in the

year 2021 shall bear interest at the rate of 1.95% per annum, the Debentures maturing (principal payable) in the year 2022 shall bear interest at the rate of 2.00% per annum, the Debentures maturing (principal payable) in the year 2023 shall bear interest at the rate of 2.10% per annum, the Debentures maturing (principal payable) in the year 2024 shall bear interest at the rate of 2.15% per annum, the Debentures maturing (principal payable) in the year 2025 shall bear interest at the rate of 2.20% per annum, the Debentures maturing (principal payable) in the year 2026 shall bear interest at the rate of 2.30% per annum, the Debentures maturing (principal payable) in the year 2027 shall bear interest at the rate of 2.35% per annum, the Debentures maturing (principal payable) in the year 2028 shall bear interest at the rate of 2.40% per annum and the Debentures maturing (principal payable) in the year 2029 shall bear interest at the rate of 2.45% per annum.

(2) Of the principal amount of \$2,238,000.00 that matures in respect of the Debentures on November 29, 2024, the principal amount of \$1,694,000.00 payable thereunder may be raised by the issue of refinancing instalment debentures over a further period not to exceed 10 years (15 years being the maximum period of years for the repayment of the debt for which the Debentures will be issued and the refinancing debentures may be issued).

(3) That payments in respect of principal of and interest on the Debentures shall be made only on a day on which banking institutions in Toronto, Ontario, are not authorized or obligated by law or executive order to be closed (a "Business Day") and if any date for payment is not a Business Day, payment shall be made on the next following Business Day and no further interest shall be paid in respect of the delay in such payment.

4. That interest shall be payable to the date of maturity of the Debentures and on default shall be payable both before and after default and judgment. Any amounts payable by the Upper-tier Municipality as interest on overdue principal or interest in respect of the Debentures shall be paid out of current revenue. Whenever it is necessary to compute any amount of interest in respect of the Debentures for a period of less than one full year, other than with respect to regular semi-annual interest payments, such interest shall be calculated on the basis of the actual number of days in the period and a year of 365 days or 366 days, if applicable.
5. That in limited circumstances (as agreed to by both the Upper-tier Municipality and CDS) the Global Debenture shall be exchangeable for certificated Debentures in definitive fully registered form in authorized denominations upon surrender of the Global Debenture to the Regional Treasurer of the Upper-tier Municipality provided that there is at least one definitive Debenture which matures in each of the remaining years of the currency of the Global Debenture. The definitive Debentures shall aggregate the same principal amount as the principal outstanding balance of the Global Debenture as of the record date for such exchange in accordance with the provisions of the Global Debenture, shall bear the same interest rates and maturity dates, shall bear all unmatured interest obligations and shall have the same benefits and be subject to the same terms and conditions as the Global Debenture (except insofar as they specifically relate to the Global Debenture). In issuing definitive Debentures no change shall be made in the amount which would otherwise be payable in each year under the Global Debenture. The definitive Debentures shall be in fully registered form, payable as to principal and outstanding interest in lawful money of Canada at maturity upon presentation and surrender thereof at any specified branch in Canada of the Upper-tier Municipality's bank designated in the definitive Debentures. Prior to maturity, the definitive Debentures shall be payable as to interest by cheque sent by mail to the registered addresses of the registered holders or, if authorized in writing, by electronic transfer.

6. (1) That in each year in which a payment of an instalment of principal and interest becomes due in respect of the Debentures, there shall be raised as part of the general upper-tier levy the amounts of principal and interest payable in each year as set out in Schedule "C" to the extent that the amounts have not been provided for by any other available source including other taxes or fees or charges imposed on persons or property by a by-law of any municipality. Without limiting the generality of the foregoing the Lower-tier Municipality shall pay to the Upper-tier Municipality the amounts required to be paid to the Upper-tier Municipality by the Lower-tier Municipality in respect of the Capital Work, as set out in Schedule "C", one Business Day before the date payment is due. The amounts required to be paid to the Upper-tier Municipality in accordance with Schedule "C" shall constitute a debt of the Lower-tier Municipality to the Upper-tier Municipality and such amounts shall, when combined with any amount payable by the Upper-tier Municipality in the year for repayment of the debt for which the Debentures are to be issued, be sufficient to meet the total amount of principal and interest payable in the year by the Upper-tier Municipality in respect of the Debentures, all in accordance with the provisions of this By-law and the Act.

(2) That if the Lower-tier Municipality fails to make any payment or portion of it as provided in this By-law, the Lower-tier Municipality shall pay interest to the Upper-tier Municipality on the amount in default at the rate of 15% per annum, from the date the payment is due until it is made.

(3) That there shall be raised, pursuant to this By-law, in each year of the currency of the Debentures, as part of the general upper-tier levy, the amounts required to be paid to the Upper-tier Municipality in any previous year by the Lower-tier Municipality to the extent that the amounts have not been paid to the Upper-tier Municipality in accordance with this By-law and the Act.
7. That the Debentures may contain any provision for their registration thereof authorized by any statute relating to municipal debentures in force at the time of the issue thereof.
8. That the Upper-tier Municipality shall maintain a registry in respect of the Debentures in which shall be recorded the names and the addresses of the registered holders and particulars of the Debentures held by them respectively and in which particulars of the cancellations, exchanges, substitutions and transfers of Debentures may be recorded and the Upper-tier Municipality is authorized to use electronic, magnetic or other media for records of or related to the Debentures or for copies of them.
9. That the Upper-tier Municipality shall not be bound to see to the execution of any trust affecting the ownership of any Debenture or be affected by notice of any equity that may be subsisting in respect thereof. The Upper-tier Municipality shall deem and treat registered holders of the Debentures, including the Global Debenture, as the absolute owners thereof for all purposes whatsoever notwithstanding any notice to the contrary and all payments to or to the order of registered holders shall be valid and effectual to discharge the liability of the Upper-tier Municipality on the Debentures to the extent of the amount or amounts so paid. Where a Debenture is registered in more than one name, the principal of and interest from time to time payable on such Debenture shall be paid to or to the order of all the joint registered holders thereof, failing written instructions to the contrary from all such joint registered holders, and such payment shall constitute a valid discharge to the Upper-tier Municipality. In the case of the death of one or more joint registered holders, despite the foregoing provisions of this section, the principal of and interest on any Debentures registered in their names may be paid to the survivor or survivors of such holders and such payment shall constitute a valid discharge to the Upper-tier Municipality.

10. That the Debentures are transferable or exchangeable at the office of the Regional Treasurer of the Upper-tier Municipality upon presentation for such purpose accompanied by an instrument of transfer or exchange in a form approved by the Upper-tier Municipality and which form is in accordance with the prevailing Canadian transfer legislation and practices, executed by the registered holder thereof or such holder's duly authorized attorney or legal personal representative, whereupon and upon registration of such transfer or exchange and cancellation of the Debenture or Debentures presented, the Regional Chair and the Regional Treasurer shall issue and deliver a new Debenture or Debentures of an equal aggregate principal amount in any authorized denomination or denominations as directed by the transferor, in the case of a transfer or as directed by the registered holder in the case of an exchange.
11. That the Regional Chair and the Regional Treasurer shall issue and deliver new Debentures in exchange or substitution for Debentures outstanding on the registry with the same maturity dates and of like form which have become mutilated, defaced, lost, subject to a mysterious or unexplainable disappearance, stolen, destroyed or dematerialized, provided that the applicant therefor shall have: (a) paid such costs as may have been incurred in connection therewith; (b) (in the case when a Debenture is mutilated, defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized) furnished the Upper-tier Municipality with such evidence (including evidence as to the certificate number of the Debenture in question) and an indemnity in respect thereof satisfactory to the Upper-tier Municipality in its discretion; and (c) surrendered to the Upper-tier Municipality any mutilated or defaced Debenture in respect of which new Debentures are to be issued in substitution.
12. That the Debentures issued upon any registration of transfer or exchange or in substitution for any Debentures or part thereof shall carry all the rights to interest if any, accrued and unpaid which were carried by such Debentures or part thereof and shall be so dated and shall bear the same maturity dates and, subject to the provisions of this By-law, shall be subject to the same terms and conditions as the Debentures in respect of which the transfer, exchange or substitution is effected.
13. That the cost of all transfers and exchanges, including the printing of authorized denominations of the new Debentures, shall be borne by the Upper-tier Municipality. When any of the Debentures are surrendered for transfer or exchange the Regional Treasurer of the Upper-tier Municipality shall: (a) in the case of an exchange, cancel and destroy the Debentures surrendered for exchange; (b) in the case of an exchange, certify the cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debenture or Debentures issued in exchange; and (d) in the case of a transfer, enter in the registry the name of the registered holder as directed by the transferor.
14. That subject to an agreement that the Upper-tier Municipality may enter into to the contrary, reasonable fees may be imposed by the Upper-tier Municipality for the substitution of a new Debenture or new Debentures for any of the Debentures that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen, destroyed or dematerialized and for the replacement of any of the interest cheques that are mutilated, defaced, lost, mysteriously or unexplainably missing, stolen or destroyed. When new Debentures are issued in substitution in these circumstances the Upper-tier Municipality shall: (a) treat as cancelled and destroyed the Debentures in respect of which new Debentures will be issued in substitution; (b) certify the deemed cancellation and destruction in the registry; (c) enter in the registry particulars of the new Debentures issued in substitution; and (d) make a notation of any indemnities provided.

15. That except as otherwise expressly provided herein, any notice required to be given to a registered holder of one or more of the Debentures will be sufficiently given if a copy of such notice is mailed or otherwise delivered to the registered address of such registered holder.
16. (1) That the Regional Chair and the Regional Treasurer are hereby authorized to cause the Debentures to be issued, the execution of the purchase letter in respect of the Debentures, dated November 5, 2019, by the Commissioner of Finance and Treasurer is hereby ratified, confirmed and approved, one or more of the Regional Treasurer and the Regional Clerk are hereby authorized to generally do all things and to execute all other documents and papers in the name of the Upper-tier Municipality in order to carry out the sale of the Debentures through CDS's book entry only system and the Regional Treasurer is authorized to affix the Upper-tier Municipality's municipal seal to any of such documents and papers.

(2) That the money received by the Upper-tier Municipality from the sale of the Debentures, including any premium, and any earnings derived from the investment of that money, after providing for the expenses related to their issue, if any, shall be delivered to the Lower-tier Municipality on the basis that the Lower-tier Municipality shall apportion and apply such money to the Capital Work, in accordance with this By-law, and to no other purpose except as permitted by the Act.
17. That the Upper-tier Municipality reserves the right to issue additional instalment debentures of the same maturities, interest rates and terms and conditions.
18. That subject to the Upper-tier Municipality's statement of investment policies and goals and the applicable legislation, the Upper-tier Municipality may, if not in default under the Debentures, at any time purchase any of the Debentures in the open market or by tender or by private contract at any price and on such terms and conditions (including, without limitation, the manner by which any tender offer may be communicated or accepted and the persons to whom it may be addressed) as the Upper-tier Municipality may in its discretion determine.
19. That this By-law comes into force and takes effect on the date of its final passing.

This By-law Read and Passed on the 27th day of November, 2019.

LEGAL OPINION

We have examined the Debenture By-law of the Issuer authorizing the issue of instalment debentures in the aggregate principal amount of \$17,291,000.00 dated November 29, 2019 and maturing in twenty (20) instalments of principal of varying amounts on the 29th day of November in each of the years 2020 to 2039, both inclusive.

The Debenture By-law has been properly passed and is within the legal powers of the Issuer. The instalment global debenture issued under the Debenture By-law in the within form in the aggregate principal amount of \$17,291,000.00 (the “**Global Debenture**”) is a direct, general, unsecured, unsubordinated, joint and several obligation of the Issuer and of its lower-tier municipalities (the “**Lower-tier Municipalities**”). The Global Debenture is enforceable against the Issuer and the Lower-tier Municipalities subject to the special jurisdiction and powers of the Local Planning Appeal Tribunal over defaulting municipalities under the *Municipal Affairs Act*, as amended. This opinion is subject to and incorporates all the assumptions, qualifications and limitations set out in our opinion letter delivered on the date of the Global Debenture.
